A rip-roaring capital-removal powwow is to be held in Louisville. October 21. Sile Woodson has appointed anywhere from 25 to 250 prominent citizens" of our imperial commonwealth, to help Hunchback Reavis play Atlas, and tote the undesirable, abominable prize this way. We'd far rather move it into the middle of the Atlantic ocean, and dump it out,-during a session of congress, with every department of government in full running order,where the deepest of all deep-sea soundings has never found bottom.

Amos Green, of the Kansas City Times, is rapidly making reputation, as a love-letter grinder. His latest effort is a terrific budget of epistolary meat-axee, scalping-knives, broken tumblers, decayed hen fruit and sal-peter - charged band - grenades, which he hurls at Gentry and his record as a railroader. If, from the crown of his feet to the sole of his head, there is a square-inch of sound bide left on the carcass of the sepiring nigger-trader and rebel-freezer, after this documental rip-saw and potato-peeler strikes him, we'll pit him, for pachydermatousness, against any rhinoceros that ever traveled with a side-show.

Lots of nasty fun ahead. Whole sewers of seavenger merriment to be let loose. Moulton and Tilton have been indicted for libel and slander of the arch-spostle of Plymouth Harem. They have each given bail to the tune et \$3,000, for the appearance of their shoots before a jury of their peers-if twelve such disreputables cultivated American obtains could souri politicians, and we know you're too speedily or too interly smashed to far abler than most of them. possibly desire.

#### THE THIRD TERM.

pardon of our readers for quoting as Coming events cast their shadows. big as circus-tents or average politician-ears, before; and all the ad umbrations, that now flit across our republican empyrean, are spectral shapes of kingly crowns, usurper bayonets and serfish chains. Where, judge. Howeli's public and perempnow, are all the ancient numskulls, tory refusal to sacrifice himself in the same judicial style, has already the sepient sap-heads, who chattered their old fange in lunatic derision been published far and wide. So the bogus "People," the sugar-coatwhen, ex lorg years ago, we pro ed, gaivanized Rads, have no candiclaimed our belief that the election date for our state ermine which, of of the stoled boor of Galena por ended the downfall of tree government? late, so much resembles a baif-dress-Where, now, are all the gray beard ed polecat-skin. ignoramuses, who laughed us to scorn when, in '68 and '69, we housted an imperial crown, as the inevita-Is this 1874 or 1864? Is the war ble end of the Ulyssianic dynasty ended, or are we still in the throes of the "great rebellion?" When Their idiotic chucklings have died Grant said, "let us have peace," what away on the air of an already-dead and soon-to-be-damned republic. did be mean? Does the proud "Southern Cross" still wave defiance Where are the venerable blatherto the foe? Is yankeedom still buy-

skites, who met our predictions of impending dictatorship, absolutism, despotism, with bombastic folderols on the quenchless spirit of American freemen, and their beroic determination to render the western bemition to render the western bemisphere one wast patriot sepulcher rather than permit the monatrous impossibility—a third term? Their mane boasts are lost amid the wait which ascends from crushed, outraged, subjugated Carolina and Louis into Southern ports? Why this gardisphere one of the discount of hireling soldiery? Why this gardisphere one wast the idea of a Third Term? Who mocks at the possibility—aye, the probability—of a Perpetual Presidency? All over the land, the "impossibility"—the wild chimera"—the "ludicrous abuilding"—of a few years ago, is sulembly discussed, as an imminent, overhanging reality. The niggers and theves of South Carolina have tormally nominated the besotted military accident—the destroyer of Louisiana—the friend of Kellogg and Pinchback—the backer of Long. It is the series of sphere one vast patriot sepulchre rather than permit the monstrous omplice of every political pirate and assassin from Cape Cod to Corpus Christi—for a Third Term. Bonner's waged against her hapless, disarmed, beretufore a boet-lick organ pillaged and desolated people. When smby-pamby New York Ledger, of Dexter and Grant, winds up a ong article on the subject, with the it not all a part of the grand, diabol-

ic scheme to re elect the bullet-beadouthing declaration : A third term means the first step to-ward monarchy; and the name of any man who stands out as the representative of nonarchicalideas in this country is desined to become infamous. Gen. Grant cannot decline too soon this nomination by the tommant political party of the state of South Carolina. ed entrap of the White House and make him perpetual president? We pause for a reply.

Their equirming and protesting come six years too late. If Grant more of it. Roll on the chariot-has resolved to be president again, wheels of retribution. A New York he will be; mark that. He has only dispatch, of October 6, says: to call together a national convention of his fawning office-holders-aorde of 60,000 postmasters, infernal evenue vermin, consuls and foreign ared. The Radical party isn't a rong enough to dare oppose him And, backed by the army in the South, and the railroads, t e nabanks and \$2,000,000,000 her learn that the rum of the 8 outh the sun on the day that witnesses be fare of ballot-poking. American be farce of ballot-poking. Ameri-ans bave only themselves to thank gains, and shivering in the asbes and or the bideous, undisguisable fact rags of pasperbood's degradation, seem to have united against her.

A frog in-the-bad exchange endeavors to administer a few crumbs nimself infinitely inferior in these auctions flutter on every breeze circues to any Berkshire pig on his Let grasshippers follow panies, and Spread- financial earthquakes pursue drouths, St. Louis county ranche.

## WASTED EFFORT. A western proverb says: "The contracted, illegal debt, national, state, county and municipal, beneath

But a Bostonian Simmons has grab. which they have grouned for years; But a Bostonian Simmons has grab-bed his longest pole to knock Ben-Butler. He is out in a letter, charg-ing Massachusetts' most illustrious every official thief and jubber, salaryon with bribery, chicanery, fraud, grabber, land-shark and public spec-black-mailing, and all the other multiplex varieties of villainy and cor. prosperity hover on golden pinious uption that enter into the composi- savannas. Then, and not till then, tion of a first-class average yankee will the "good time coming" have saint and patriot statesman. Sim- come indeed. Roll on the day of mone is wasting time and labor in redemption, even though it comes trying to prove the Lowell Beast crime-steeped, conscience-seared scape-gallows. As well charge the Devil with being the father of lies and of Badicalism. As well attempt to blacken the hanges of bell with a camele-hair pencil dipped in weak tes, as to darken the character and name of Puritania's noblest and truest exemplar—the Essex law-giver—the hero of New Orleans, Fort Fisher and Dutch Gap-Beelzeoub's pet pig with a cross mark in nis eyes whose beinous atrocities reverberated against the goiverse's outer walls—whom the Orieans, Monday, Loss, \$100,000, which again mous verdict of creation has would have been gladly borne, if Kellogg, bie infamy and execration. Let Beastie alone; he's as good as Beecher, or Grant, or any of the rest. This is the scoundrels' milennium; Benjamin bas a right to consulates for protection. Detective Tancy was furnished with the following documents, in order that he might not want in the necessary authority if occasion required it.

The streets are flooded with rumors of troubles to all departments of trade and suspensions of houses whose solvency has hitherto been undoubted. No names are mentioned and no particulars are given, but the utmost use is made of the reports to depress stocks, and with good successions of the work of the reports to depress stocks, and with good successions. Glad of it. Wish it were 10,000 You are betely notified that I have this day appointed Mr. F. Tancy a special gent to the arrew of the perpetratory and the second of the seco sal bankruptcy of yankeedom. Let By the Governor . EUGENS F. WRIGEL, Secretary of State.

By the Governor Tarket's courses.

His special mission was to arrest the perpetrators of the robberies in Ray and Carcoll countries, allo were supposed to be Frank James, James James, James Younger and Arthur Metody. Out the lard of September he proceeded to Lexington for the purpose of communicating with Col. John Reid. Thomas Baylise, Tilion Bayl almost-forgotten manbood and right, and wipe out, blot from the records, repuliate the last dollar of scoundrel-

car, if necessary, and the reply was in the affirmstive, the view an acoust having them selected from the large number of volunteers whe
had profered their services to go on the dangerous hunt.

On leaving Lexington, Yancy struck the trail
of the robbers and far from the line of Saline
and Lafayetts county, and about sixtees or
eighteen miles south of the serishout wenty hours almostly and slowly in the
followed in waveriy. When within six or eight
miles of that place, they turned in a westerly direction, and crossed the Missouri river at some
point between Lexington and Waveriy, the exact toosthoe of which could not be ascertained,
yancy again arrors their trail about four miles
north of the river, going in a northeasterly direction towards a station on the North Missouri
Mailroad called Norborns, staying a porties of
the night at a house owned by a man by the
name of Pool, some three or tour date followed
their states of the series of the country west, and went into Clay county, in the
direction of Richmond. They then turned directly west, and went into Clay county, in the
officer had to proceed with great caution, being
in the midst of their friends. The only information he could obtain about them here was
that they remaine da home that a short time
Yancy here lost the trail, and, being unable to
mation there received concluded they were preparing to make

The Democrats have carried nearly as they had previously done at Kansas City, look the cars and went there, but, thinking informati might have been mistaken, and it he was wasting valuable time, the president the Fair was informed of what had been heaevery county in Georgia.
